Dear Friend in Conservation:

The Auglaize Soil and Water Conservation District is offering a yearly business sponsor opportunity to advertise your business. Proceeds will go towards our appreciation dinner held in August. We have approximately 75 people attend our dinner and we send out 1150 quarterly newsletters. There are three ways to place a business ad:

- Tier 1 - \$50 – placemat for annual meeting
- Tier 2 - \$75 – placemat and 2 newsletters
- Tier 3 - \$100 – placemat and 4 newsletters

If you would like to remain a sponsor or become a new one, please return the form at the bottom February 21st. If you would like to make changes in your ad, or are a new sponsor, please enclose a new business card. The Auglaize SWCD has the right to accept or reject any sponsorship.

If you have any questions or would like to see a copy of your existing ad, please call me at 419-738-4016 x101 or email me at cdavis@auglaizecounty.org Thank you for your assistance.

Sincerely,

Christine Davis

District Program Administrator
